

# HOMESTRETCH® **BORON 10%** NUTRITIONAL

## GENERAL INFORMATION

HOMESTRETCH® B 10% is specifically formulated for delivery of boron.

## RATE RECOMMENDATIONS

### FOLIAR APPLICATION

**All Crops:** Apply up to 5 quarts per acre in sufficient water for thorough coverage. Use at least 1 gallon of water for each pint of HOMESTRETCH™ B 10% Early morning or late evening applications give the best results. Boron is not easily translocated within the plant, therefore multiple foliar applications at low rates during the growing season are most effective. Allow 14-21 days between treatments.

### SOIL APPLICATION

**All crops:** Apply up to 3 gallons per acre in sufficient carrier to give complete coverage. Do not use in soil applications where it will directly contact the seed. Soil applied boron must be moved into the root zone to be absorbed by the plant. This can be accomplished by irrigation, rainfall, or tillage. HOMESTRETCH™ B 10% may also be applied via drip or sprinkler fertigation using rates listed above.

Optimum rate of application will vary depending on

treatment interval, soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and its nutrient requirements. For best results, follow soil/tissue test recommendation. Apply 1-2 quarts per acre per application throughout the growing season. More frequent applications at 1 pint per acre may be needed to correct deficiencies once they occur.

## MIXING AND HANDLING

### INSTRUCTIONS

Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application.

**ATTENTION:** This product contains boron; use on any crops other than those recommended may result in serious injury to the crops.

## PRECAUTIONARY STATEMENTS

Obtain special instructions before use. Do not handle until all safety precautions have been read. Wear

protective gloves/clothing and eye/face protection.

## FIRST AID

If exposed or concerned, get medical attention.

## STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store locked up. Dispose of contents/container in accordance with local regulations.

LIMITED WARRANTY: Meristem Crop Performance Group, LLC, warrants that the Product conforms to the chemical description given on this label and is reasonably fit for the purpose stated when used in accordance with label directions under normal conditions of use. Meristem Crop Performance Group, LLC and Seller make no other warranties, express or implied, including warranty of merchantability or fitness for a particular purpose. Buyer and User accept all risks arising from any use of this Product.
