

**GUARANTEED ANALYSIS:**

Boron (B)	5.00%
5.0% Water soluble boron	
Molybdenum (Mo)	0.50%
<i>Derived from boric acide and sodium molybdate.</i>	

WARNING: Suspected of damaging fertility or the unborn child..

GENERAL INFORMATION

HOMESTRETCH® B-MO is specifically formulated for delivery of boron and molybdenum.

RATE RECOMMENDATIONS**FOLIAR APPLICATION**

Field, Row, Vegetable and Vine Crops: Apply 0.5-1 pint per acre per application throughout the growing season. More frequent applications at 1 pint per acre may be needed to correct deficiencies once they occur.

Fruit and Nut Tree Crops: Apply 1-4 pints per acre per application throughout the growing season. More frequent applications at 2 pint per acre may be needed to correct deficiencies once they occur.

Ornamentals: Apply 1-2 pints per 100 gallons water. Cover foliage thoroughly to point of runoff.

SOIL APPLICATION

All crops: Use 1-3 quarts per acre.

Optimum rate of application will vary depending on treatment interval, soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and its nutrient requirements. For best results, follow soil/tissue test recommendation.

MIXING AND HANDLING**INSTRUCTIONS**

Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application.

ATTENTION: This product contains boron; use on any crops other than those recommended may result in serious injury to the crops. The application of fertilizing material containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals.

PRECAUTIONARY STATEMENTS

Obtain special instructions before use. Do not handle until all safety precautions have been read. Wear protective gloves/clothing and eye/face protection.

FIRST AID

If exposed or concerned, get medical attention.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store locked up. Store in original container. Store in a well-ventilated area. Storage temperature: 40 F to 100 F. Dispose of contents/container in accordance with local regulations.

LIMITED WARRANTY: Meristem Crop Performance Group, LLC, warrants that the Product conforms to the chemical description given on this label and is reasonably fit for the purpose stated when used in accordance with label directions under normal conditions of use. Meristem Crop Performance Group, LLC and Seller make no other warranties, express or implied, including warranty of merchantability or fitness for a particular purpose. Buyer and User accept all risks arising from any use of this Product. To the extent allowed by law, Meristem Crop Performance Group, LLC and the Seller shall not be liable to the Buyer or User of this Product for any consequential, special, incidental or indirect damages.
