

CROPFUSE[®]

NIS

NONIONIC SURFACTANT

PRODUCT DESCRIPTION

CROPFUSE[®] NIS is a multi-function spray adjuvant for the enhancement of spreading of spray droplets and increased coverage of the intended target. May be applied with insecticides, fungicides, herbicides, PGR's and nutrients at the label use rates or rates recommended on the pesticide label.

The addition of adjuvants to some pesticides and/or fertilizers may cause phytotoxicity to plant foliage. Prior to using, the applicator should have experience with the pesticide combination, including CROPFUSE NIS, or should conduct a test to determine plant safety.

Use with pesticides registered for agricultural, forestry, industrial, municipal, non-cropland and rights-of-way. Not for aquatic use.

RATE RECOMMENDATIONS

Use 0.5 - 4 pints per 100 gallons of spray solution.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING.

In the absence of specific mixing instructions found on the pesticide label, fill the spray tank with at least 50% of the desired finished carrier volume. When premixing in a mixing vessel or inductor, fill with at least 20% of the desired finished carrier volume. While the carrier is agitating, add tank mix ingredients in the following order:

Mixing Instructions:

1. Compatibility agent and/or antifoam, if needed
2. AMS, dry formulations (WP, DF, WDG, SP), and dry drift retardants
3. Dry soluble and suspension fertilizers / micronutrients
4. Liquid drift retardants and flowable formulations (F & FL)
5. Liquid concentrates, suspension concentrates, microencapsulated and capsule suspension (LC, SC, ME, CS)
6. Emulsifiable concentrates (E, EL or EC)
7. Solutions and soluble liquids (S or SL)
8. Liquid micronutrients and fertilizers
9. Water conditioners and other adjuvants (COC, HSOC, MSO, NIS)
10. Finish filling to desired spray volume level and continue agitation

STORAGE AND DISPOSAL

Protect product from freezing. If product freezes, warm to room temperature and agitate before use. Keep containers sealed when not in use. Store in original container only. Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container

PRINCIPAL FUNCTIONING AGENTS

Proprietary blend of alkylpolyoxyethylene, glycol derivatives,
humectant and formulation aids 100.0%

Components exempt from the requirement of a tolerance in 40 CFR 180

KEEP OUT OF REACH OF CHILDREN WARNING

Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

Minimum storage temperature: 32° F.

PRECAUTIONARY STATEMENTS

Harmful if swallowed. Causes skin irritation and serious eye irritation. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or smoking tobacco. Remove and wash contaminated clothing before reuse. Wear chemical resistant gloves, eye protection, long-sleeved shirt, long pants, and shoes when mixing or applying. Consult the SDS for further information.

FIRST AID: IF SWALLOWED: Call a doctor or poison control center immediately. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. **IF ON SKIN:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. **IF INHALED:** Move person to fresh air. If a person is not breathing call 911 or an ambulance, then give artificial resuscitation. Always call a poison control center or doctor for further treatment advice.

LIMITED WARRANTY: Meristem Crop Performance Group, LLC. ("MCPG") warrants that the Product conforms to the chemical description given on this label and is reasonably fit for the purpose stated when used in accordance with label directions under normal conditions of use. MCPG and Seller make no other warranties, express or implied, including warranty of merchantability or fitness for a particular purpose. Buyer and User accept all risks arising from any use of this Product.
