KEEP OUT OF REACH OF CHILDREN WARNING

Harmful if swallowed. This product may be harmful or irritating to eyes. Do not ingest. Avoid contact with eyes. Do not inhale powder.

PRODUCT DESCRIPTION

REVLINE® HOPPER THROTTLE™ CORN with ETHER™ is an 80/20 talc, graphite, nutrient and microbial planter box delivery system for use in corn.

DIRECTIONS FOR USE & RATE RECOMMENDATION

DO NOT ACTIVATE BIO-CAPSULE UNTIL READY TO USE. SHAKE BETWEEN EACH USE.

Read and follow all label directions for use on package. Once ready to plant, remove the safety clips from the BIO-CAPSULES. Push down on the buttons atop the pail to release the biologicals into the base. Seal the pail and shake aggressively to blend the contents. Before each application, aggressively shake contents to ensure the correct volume is applied.

The combined products (1 pail) treat 50 units of corn at 80k seeds per unit.

For single-row unit planters, use the enclosed scoop to measure out blended contents. One scoop treats 1 unit (80k seeds) corn.

STORAGE & DISPOSAL

Storage: Keep in a cool, dry place. Keep out of direct sunlight. Do not exceed storage in 77°F and above for an extended period of time. Do not freeze product.

Disposal: Dispose of all waste in accordance with local, state, and federal regulations.

LIMITED WARRANTY: Meristem Crop Performance Group, Inc. ("MCPG") warrants that the Product conforms to the chemical description given on this label and is reasonably fit for the purpose stated when used in accordance with label directions under normal conditions of use. MCPG and Seller make no other warranties, express or implied, including warranty of merchantability or fitness for a particular purpose. Buyer and User accept all risks arising from any use of this Product. To the extent allowed by law, MCPG and the Seller shall not be liable to the Buyer or User of this Product for any consequential, special, incidental or indirect damages.
