

### PRODUCT DESCRIPTION

TRUTRACK® C is a specially formulated deposition aid with drift reducing properties that reduces the number of spray droplet fines less than 150 micro and increases the VMD (Volume Median Diameter) of spray droplets. TRUTRACK C generates a more uniform droplet size spectrum resulting in more enhanced on-target deposition and coverage of spray.

TRUTRACK C is formulated for mixing with liquid AMS and AQUADRAFT® C concentrate.

Can be used with most herbicides, fungicides and insecticides that are labeled for use in agriculture or forestry.

### RATE RECOMMENDATIONS

Use 2 – 6 fl. oz/acre or 0.125% – 0.375% v/v.

### DIRECTIONS FOR USE

Other adjuvants may be added for deposition, retention and canopy penetration. Always read and follow the specific pesticide label directions, adjuvant suggestions, rates and mixing instructions.

### Mixing Instructions:

When mixing with water conditioner and surfactant:

1. Always add water conditioning product first
2. Follow with surfactant, such as AQUADRAFT C concentrate
3. Then add TRUTRACK C.

Proper nozzle selection and operation (pressure and spray angle), combined with good operator evaluation and decision making on wind direction, temperature inversions, application speed and susceptible crops in the area are necessary for maximum drift reduction potential.

Always use good operating procedures to minimize drift potential. Actual use rate may be increased or decreased with in the desired rate range to achieve optimum results. Always read and follow label directions.

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Do not contaminate water by runoff from equipment wash water or spray material. Store in a dry place. Store in original container only with lid tight. Do not store near heat or open flame. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Do not freeze.

Triple rinse (or equivalent) prior to disposal. Add rinsate to spray tank. Offer container for recycling or dispose of properly according to federal, state and local authorities.

**Minimum storage temperature: 32° F.**

### PRINCIPAL FUNCTIONING AGENTS

Modified Vegetable Oil, Amine Salts of Organic Acids and Organic Acid.....100.0%

*Components exempt from the requirement of a tolerance in 40 CFR 180*

**KEEP OUT OF REACH OF CHILDREN  
WARNING**

### PRECAUTIONARY STATEMENTS

Harmful if swallowed or inhaled. Can cause skin, mucous membrane and eye irritation. Avoid contact with eyes, skin or clothing. Avoid breathing vapors or spray mists. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or smoking tobacco. Remove and wash contaminated clothing before reuse. Wear chemical resistant gloves, eye protection, long-sleeved shirt, long pants, and shoes when mixing or applying. Consult the SDS for further information.

**FIRST AID: IF SWALLOWED:** Call a doctor or poison control center immediately. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. **IF ON SKIN:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. **IF INHALED:** Move person to fresh air. If a person is not breathing call 911 or an ambulance, then give artificial resuscitation. Always call a poison control center or doctor for further treatment advice.

**LIMITED WARRANTY:** Meristem Crop Performance Group, Inc. ("MCPG") warrants that the Product conforms to the chemical description given on this label and is reasonably fit for the purpose stated when used in accordance with label directions under normal conditions of use. MCPG and Seller make no other warranties, express or implied, including warranty of merchantability or fitness for a particular purpose. Buyer and User accept all risks arising from any use of this Product. To the extent allowed by law, MCPG and the Seller shall not be liable to the Buyer or User of this Product for any consequential, special, incidental or indirect damages.
